Council of Young Scientists

**Dear colleagues!**

**The Council of Young Scientists thanks all doctors, scientists and researchers, all colleagues and friends around the civilized world for showing solidarity with the Ukrainian people during this tragic time of war.**

**Russia's military aggression against Ukraine is an unprecedented violation of fundamental human rights, encroachment on life, democracy, freedom of thought and belief, and is driven by no less than hatred of Ukraine.**

**That is why we are heading to victory together in this difficult time!**

**According to the draft register of congresses, congresses, symposiums and scientific-practical conferences to be held in 2022 approved by the Ministry of Health of Ukraine, we have the honor to invite students, masters, interns, graduate students and young scientists to take part in the scientific-practical conference with international participation "YOUNG SCIENCE 4.0" (for young scientists) which will take place on May 30, 2022 online on the YouTube channel.**
